

There are several **Good Neighbours Groups** throughout the New Forest that will help with some or all of the following:

Hospital & GP transport, other health transport, social transport, shopping, prescription collection, befriending and visiting.

You will need to contact the group nearest you to find out which services they offer and how much they will charge for their services.

Local Groups are:

Bransgore Community Care Group—01425 673057
